

I listen daily to K-LOVE on my local FM 91.9 station. In fact, my husband and daughter, who have never listened to contemporary Christian music, have begun to listen to this station and I am very excited about this. I have also begun to notice that my church has begun to sing the songs that I have heard on this station. Please do not allow this station to be taken away from my community. It would be a great loss for the families in this area. Thank you.
